

SOMO Prayer Network

"The earnest prayer of a righteous person has great power and produces wonderful results." — James 5:16 (NLT)

April 2017

Thank you for committing to pray together with hundreds of other believers across the Southern Missouri District. There is power in prayer!

Numerous signs and conditions worldwide point to the soon return of Jesus Christ. Our nation and world are being shaken by the increasing intensity of the birth pains Jesus talked about in Matthew 24. These perilous times offer more opportunities for the body of Christ to minister through the power of the Holy Spirit.

Prayer Focuses

Easter

Please be in prayer for Easter services and special events scheduled this weekend at our churches. Statistically, more people will be in attendance this Sunday than at any other time of the year. Pray for a mighty move of God in our services and that many decisions will be made for Christ. Pray also that our congregations will be encouraged to believe for additional weekly salvations and harvest in every church.

Church Planting

Please continue to pray for church planting efforts which are part of "Project R.E.A.C.H."—the Southern Missouri District's plan to advance the gospel in our state. Throughout the next several years, the District's goal is to plant 40 churches in areas across Missouri that currently lack adequate A/G representation. We also are supporting church plants worldwide.

Please continue to pray specifically for the 10 pastors and their families who already have answered the call to plant churches here in Missouri this next year. Pray that God will meet their needs and go before them to open doors as they step out in faith.

District Council

Please be in prayer for District Council, scheduled April 24-26, in Springfield, Mo. This will be an important time of business for our district, as well as a time to seek God for direction and a refreshing for our pastors, churches and other ministers.

Weekly District Prayer Days

Remember that Wednesdays have been designated as District Prayer Days. Please make a special effort to take time on those days to pray for the advancement of the kingdom of God here in Missouri and around the world.

Final Thoughts

Again, thank you for your commitment to prayer and intercession. Together, we can move mountains for Christ!
