

# *Season's Greetings*

Thank you for committing to join others throughout the Southern Missouri District in prayer. The impact of our praying together cannot be underestimated.

This Christmas season, many people who don't normally attend church will do so, offering us more opportunities to reach the lost. Please pray that the message of Christ will go forth in a powerful way and that many will come to know the Savior this holiday season and beyond.

Remember, our goal is to see 100,000 in attendance on any given Sunday in Southern Missouri Assemblies of God churches by 2020. Your continued commitment to prayer is vital to seeing this happen!

May you have a blessed Christmas season and sense the presence of our Lord this special time of year.

Curtis and Cindy Washam  
SOMO Prayer Directors
