

SOMO Prayer Network

"The earnest prayer of a righteous person has great power and produces wonderful results." — James 5:16 (NLT)

May 2019

Thank you for your ongoing commitment to intercession. Following are this month's prayer focuses. Please set aside time each day to pray for these specific areas.

Our 2019 District Theme: "Open Heaven"

Please continue to pray for an "Open Heaven" (revival, awakening, outpouring of the Spirit) across our district. An "Open Heaven" means:

- Seeking of conviction of the Holy Spirit to purify each life — intercessory prayer for repentance, which means praying for repentance of areas of sin seen in the church and in our society
- Each church to have an active prayer ministry and that a hunger to seek God in prayer at every level will continue
- That we will have a culture of renewed dependence and reverence to the work of the

Holy Spirit and the gifts of the Spirit based on the instruction of the Word of God

- That we will make the Word of God our standard, and that we will press in to receive all that is promised to the Body of Christ

Pray that as we have an Open Heaven a great harvest of souls will come into the Kingdom, bringing about a move toward righteousness in our culture and nation.

SOMO Youth Camps

Please begin interceding for next month's youth camps, scheduled June 5-8, 10-14, 17-21 and 24-28.

- Pray for Cross Pointe staff as final preparations are made for camps.
- Pray that God would prepare the hearts and minds of students to receive what He has for them at camp (salvation, healing, deliverance, Spirit infilling, a call to ministry, etc.).

- Pray for our new district youth directors, Austin and Lauren Westlake, as well as all other camp leaders and workers. Pray that they will be strengthened and ready to work and minister to the campers.
- Pray against the schemes of the enemy to thwart what God has planned for our camps and retreats this year.
- Pray for the health and safety of everyone attending or working at camps at Cross Pointe this summer.
- Pray against potential issues that could arise with the facilities and equipment during camp season.
