Monthly Prayer Focuses

Pray for Our Pastors

Since October is Pastor Appreciation Month, it is an especially good time to pray over them. Please pray for their needs and families and for strength, direction and anointing. The enemy is out to hinder and harass pastors. We know our prayers will raise up a standard against the enemy.

Pray Against Occultic Activity Around Halloween

Many people in our nation are knowingly or unknowingly practicing witchcraft or are involved in new age practices. They are openly inviting evil spirits. *(They do not always believe they are summoning demonic and unclean spirits, but the Bible tells us they are when they practice sorcery and witchcraft.)* The highest season for this is Halloween.

We need to be praying and lifting up a standard against this occultic activity. Pray for protection for our communities and for unsaved people who do not know what they are inviting upon themselves.

Witches in New York are having a mass ritual this weekend to curse new Supreme Court Justice

Brett Kavanaugh, President Trump and those who hold conservative views. This is just one example of the openness of occultic activities that are being held today. As Christians, we are the only ones who have the authority of Jesus to stop this summoning of demons.

Pray for the Nov. 6 National Elections

Pray for candidates to be elected who will abide by our Constitution and preserve our constitutional rights. Pray that candidates will be elected who will make decisions that will preserve Biblical values, such as life (opposed to abortion) and marriage being between a man and a woman. We must continue to keep our nation in prayer in these turbulent times as we see the clash of light and darkness increasing in these last days.
