

# SOMO Prayer Network

*"The earnest prayer of a righteous person has great power and produces wonderful results." — James 5:16 (NLT)*

## March 2017

Thank you for your commitment to pray. It is needed to enable us to accomplish Christ's commission in these last days. We are in a war for souls and face an enemy who wants to stop or hinder what the body of Christ is doing. The Church is the only power on earth that can stop his work by the authority of Christ.

### Prayer Focuses

#### Church Planting

Please continue to pray for church planting efforts which are part of "Project R.E.A.C.H."—the Southern Missouri District's plan to advance the gospel in our state. Throughout the next several years, the District's goal is to plant 40 churches in areas across Missouri that currently lack adequate A/G representation. We also are supporting church plants worldwide.

At this time, we ask that you focus specifically on praying for the 10 pastors and their families who already have answered the call to plant churches here in Missouri this next year. Pray that God will meet their needs and go before them to open doors as they step out in faith.

#### Our Nation

This past year, there was a great move to cry out for our nation, and it must continue! The enemy would like to stop the freedom we have to share the gospel and support missions around the world.

In reaction to President Trump's election and his stated goals to support Christians, American interests (*nationalism over globalism*) and conservative values (*appointing a conservative Supreme Court Justice, etc.*), the witches of America recently called on the witches of the world to perform satanic rituals during the waning moon of each month to bind President Trump and his administration, invoking demons to work toward his removal. This cursing also extends to anyone who supports our president.

Witchcraft has been subtly promoted through every form of media in our nation. This open threat by the witches has opened the Church's eyes to satan's schemes and the battle we are engaged in for souls. We have the power through Christ to come against any plans of the enemy. Let us continue to pray for our nation, and that every church and ministry will be shielded from demonic attacks.

#### Easter Services

Easter is only a few weeks away! Many churches will hold special outreaches and services that weekend. Statistics indicate Easter is a time when unchurched people are more likely to attend church. Let us pray specifically for these special services and outreach efforts—that many will attend and be reached for Christ!

### Final Thoughts

Again, thank you for your commitment to pray! We already have heard numerous reports of the Holy Spirit working in churches throughout our District and of many people being touched—all because of the power of prayer!
