

Season's Greetings!

Blessings to you and your family this holiday season! Thank you for your commitment to praying with others across the Southern Missouri District. Our prayers are powerful and effective!

Week of Prayer

The Assemblies of God Week of Prayer is scheduled Jan. 7-13. Please plan a special time of prayer and fasting that week for yourself, and encourage your church to do the same.

Prayer Focuses

- We are fast approaching Christmas—one of the greatest opportunities to share the gospel in American society. Statistics show that Christmastime is one of the seasons that unchurched people will consider going to church. With Christmas Eve falling on a Sunday this year, we anticipate many will attend services that day. Please pray that our churches will have an open door to reach these people with the love of Christ.
- Pray that each Christian will ask the Lord to open a door for them to witness to someone this Christmas season and win at least one person to Christ in the coming year. If each person would do that, our churches would be bursting at the seams and our nation would be impacted greatly for Christ!
- Continue to pray for our nation. There is a great divide in our land today. Judeo-Christian standards have been torn down or are under attack. The very fabric of our society is threatened as a large segment wants to move us further and further away from Biblical standards and our traditional constitutional form of government. This is a spiritual battle. The enemy would like to destroy the nation that has given the world and Christians the greatest liberty to proclaim the gospel. We must pray to fight against it!

Pray that Bible-believing people will rise up and become involved in every facet of our government. Pray for our leaders at every level—from town and city leaders, to state leaders, to our national leaders. Pray especially for President Trump as he fights for the interests of our nation and for the interests of Christians. Our prayers can make the difference in the battle waging in the heavenlies for our nation and our freedoms.

- Pray for those who oppose Christianity and the Bible that their eyes will be opened to Jesus and the truth of the gospel.

Thank you for your commitment to intercession. We pray a special blessing on you and your family this holiday season and in the coming year!
