

SOMO Prayer Network

August 18, 2015

We continue to see signs that the forces of darkness are advancing throughout our nation and around the world. More and more, we see new levels of opposition to the Church and the gospel, as well as increased persecution of Christians.

This is not a time for the Church to hunker down or stick our heads in the sand, waiting it out until the Lord comes back. This is a time for us to stand up and exercise the authority Christ gave us to oppose the work of the enemy. By agreeing in prayer, we can break strongholds and see the eyes of those who are blind to the gospel and perishing opened.

So, let us continually, through prayer, bind the forces of darkness and release the anointing of the Holy Spirit that draws people to Christ. Let us call out in prayer for an awakening in our land. Let us call out for the salvation of those who are lost and for the message of the gospel to go forth in our land.

Prayer Focus

This time of year, school is resuming in our communities. Please be in prayer during this time for our children, as well as for the teachers, administrators, board members and support staff who work together to educate, train and feed our children.

2015 SOMO A/G Summer Camps

More than 3,500 kids and youth attended camp this summer at Cross Pointe. As always, it was a wonderful seven weeks filled with fun, fellowship and the opportunity to draw closer to God. To view some statistics from this year's camps, visit www.crosspointecamp.com/smd/prayer/prayer-network.

Again, thank you for your commitment to join others across the District as a mighty prayer force. Together, we can make a difference in our churches, our communities and our land!
