Thank you for your commitment to prayer. We will only extend the reach of the kingdom of God when we join together and pray. In these last days, our position of authority in Christ is critical in opposing the enemy's plans. We defeat his advance by using the weapons of warfare given to us by God. He is raising up an army advancing together in prayer across our district!

This month, our focus is to ring in the New Year with prayer. Below is information on the upcoming national Week of Prayer. In addition, our Women's Ministries will be having special sectional prayer times in January. Women, as well as men, are invited to join in these prayer times. Watch for additional information on these important prayer events!
