On Wednesday's Pray for Revival

Strong Prayer Ministries

Pray for strong prayer ministries in churches. Pray for each Christians life to wage Spiritual Warfare through prayer against the flood of the enemy.

Pray that Christians will understand the power of prayer and as it says in Ephesians 6:12 *"For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms."*

Pray that Christians will understand that in America, people have been deceived to summon demons while believing that they are summoning energy or helpful beings called "spirit guides" to help them. Through prayer we must raise up a standard against this incoming flood. We must pray for unbelievers that their blinded eyes will be opened to the truth of the gospel.

Prayer for Our Nation

As we celebrate 4th of July, let's pray for our nation.

Thank you for your commitment to pray. Be encouraged that our prayers together are powerful and effective. We have been called to this important time in history. God will release His power on earth through the prayers of the saints.

Blessings,
