- Pray for the students, parents, teachers, and administrators.
- Pray for parents to be encouraged to be involved in this crucial area of their children's lives.

Prayer Focus: Proposition 3 on the Missouri November Ballot

- Missouri Proposition 3, also known as the Right to Reproductive Freedom Initiative, was a constitutional amendment **passed in November 2024** that legalized abortion in Missouri until fetal viability. It is now set to be **repealed** by a new amendment under the same name, **Proposition 3**, proposed for the 2026 ballot. The **current Proposition 3** aims to overturn the former Proposition 3 and prohibit abortion except for cases of emergency in the health of the mother, rape, and incest. These exceptions would only be allowed until the 12th week. This amendment also has important prohibitions as it **prohibits gender transition surgeries** for minors, as well as the prescription or administration of cross-sex hormones or puberty-blocking drugs to minors.
- Pray that voters will understand the significance of this proposition standing for the life of the unborn and will turn out to vote. Pray that this bill will be passed protecting life, and shielding minors from the radical implications of transgender surgeries and hormone blocking.
- Pray for this issue across our nation as the state of Massachusetts recently voted to allow abortion up until the day of the child's birth.
- Pray that people will have a new awareness of God's righteous plans for mankind and will understand the damage and perversity that transgressing God's plan brings.

In closing,

Thank you for your faithfulness in the powerful ministry of prayer.
